You can bank on it!

Vouchers can be used to purchase anything at PAHCOM including membership renewal, CMM Exam fees, conference registration and more. If you have In-Health vouchers, mail them to us before they expire. Be sure to get confirmation or check your profile for the balance in your account to verify they made it to us. Once we receive them, the expiration date is no longer valid and they become money on your account. You can see your balance in Member Self-Care and you can apply any portion of your voucher balance to any purchase you make.
